

SOBERANO 2021

From our Curimaqui estate, in the dry-farmed secano interior of the Maule Valley, from vines planted in 1960, in a total area of 0.35 hectares.

With an intense purple color, the wine's nose is very austere, with notes of graphite, berries, and flowers, while on the palate there's a granular texture with acidity that leaves a long, persistent finish.

ORIGIN:	Curimaqui estate.
VARIETY:	97% Carignan, 3% Grenache
VINTAGE:	2021

SOIL:	Transported granite in medium state.
PRUNING:	Head or gobelet.
IRRIGATION:	Dry farmed.
